

**From a Living Deeply Practice CD from the Institute of Noetic Sciences**

An oral history says this; "That there will come a time when all nations of the world will come together under the beautiful tree of life and that there will be much gnashing of teeth, there will be great confusion, there will be war, there will be killing, there will be thievery, there will be mis-trust but all of those things are necessary for us to experience and to resolve so we will all come together under that tree of peace holding hands as one family and there will be a beautiful healing herb formed their and the color of that herb will be black, white, red and yellow and we will all live together in peace. — Sequoyah Trueblood

I would later find this image in an Article in Parabola titled; "Coming Home to Peace" by David R. Kopacz M.D. and Joseph Rael (Beautiful Painted Arrow)
